TODAY'S SELLING PRICES ARE

Flora, the highest quality flour, \$1.25; White Frost, best patent, \$1.10; good cheap flour, 75c; Ohio River salt, \$3.65; salmon, 1-pound tins, 11c; bran, \$1.45; sweet feed, \$1.50 up; hay, 80c up; syrups, 55c down; sorghum, 50c down; oats, 55c down.

Our today's buying prices are—Eggs, 48c; hides, 5c; hay, \$1 down; corn, \$2.25 down; meat, 17c down; lard, 14c down.

Our today's trading prices are—Anything we carry for corn, hay, meat, lard, cattle, chickens, eggs, etc., as we sell for cash, allowing you the market price.

Now if there is any trade in you here is your chance.

We want to live and let live; we want to have a square deal; we are ever willing to give our fellow man that in turn. We know that we are giving the people good flour,

salt, salmon and sorghum under today's market, and for this reason some are inclined to say "cheap grade." But we push only No. 1 stuff, and when we say "No. 1," we mean every word of it. We mean if every buyer is not thoroughly satisfied with his goods his money will be refunded. Could we offer more? Is this strong enough as a guarantee?

Please bear in mind, however, we don't guarantee all goods No. 1, nor do we put a guarantee on all of them. We only fix a price that will make them sell.

We guarantee our oil to be just as good as ever come to Camden; our Chun salmon to be as good as anybody's Chun salmon; our Ohio River salt to be as good as made, the quantity just as much and the price below the market. It that enough?

Yours for business,

O. P. Dobson & Company Camden, Tenn.
